SIGN UP TODAY!

SUMMER READING CONTEST KIDS, ADULTS, FAMILIES

Starts: Saturday, July 8, 2017

Ends: Saturday, August 26, 2017

How do I enter? Come to the library any day starting Saturday, July 8th, sign up, create your book log to go into the community book log binder. Your log will be at the library to fill in all summer.

Who can enter? Any person who wants to!

Then what? Every time you read a book (or have it read to you), come to the library, enter the book title on your log. Every time you add a book title you get a raffle ticket to enter into the drawing. **1 book = 1 raffle ticket.** The more books you read, the more raffle entries, the better chance you have of winning.

Saturday, August 26th at NOON: Reading Party and Raffle Drawing

Kids Prize: \$125 gift certificate (see library for details)

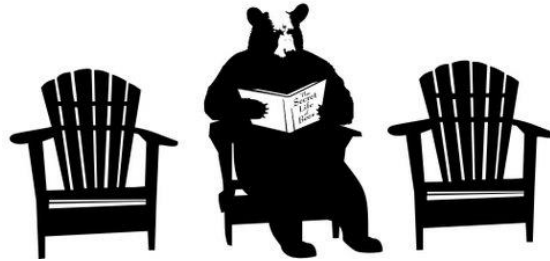

Adult Prize: \$125 gift certificate (see library for details)

Family Prize: Family that reads the most gets a
SPECIAL PRIZE*

**Be sure to let us know when you sign up that you want to enter the Family Contest.
Family = two or more people living in the same home.*

KIDS' PROGRAMS * SUMMER 2017 * FREE

JULY

Saturday, 7/8 @ 10:30 am - 2:30 pm: **Summer Reading Ice Cream Sundae Party** The Phoenicia Library kicks off its annual Summer Reading Program and Contest. Come by the Library at any point during the day to enter the contest. For more information on the contest see our website or ask at the library. We'll also have a Make-Your-Own-Sundae bar!

Wednesday, 7/7 @ 6:00 pm: **Movie Night: A Monster Calls (2017)** The heartwarming story of a 12-year-old boy facing a difficult time who finds an unlikely ally in a monster that appears at his bedroom window one evening. PG-13, 108 minutes

Monday, 7/10 – Wednesday 7/12 @ 9:30 am – 12:30 pm: **Kids Beginners Robotics Camp** A great way for kids to explore and learn about Robotics and basic Engineering, this 3-day workshop will teach kids to build and program increasingly complex robots using the Lego Mindstorm robotics kit. Led by software engineer and robotics enthusiast Chris Hendry, the workshop will allow students to remain focused on problem solving using technology as a tool, not as a game or social media device. Ages 9-16, advance registration required. Call the library at 688-7811 to sign up – space is limited.

Friday, 7/14 @ 1:30 pm – 4:30 pm: **Learn CPR** Come learn CPR and become American Red Cross certified. Space is limited. Ages 12 and up. Please contact Patti Rudge at 254-4126 to reserve a spot.

Friday, 7/21 @ 1:30 pm **Create Your Own Watershed** Using newspaper, water and ink, families will create their own watershed and learn the effect of spreading contaminants in the water. Perfect for kids of all ages.

Friday, 7/28 @ 6:00 pm: **Movie Night: Inside Out (2015)** After young Riley is uprooted from her Midwest life and moved to San Francisco, her emotions – Joy, Fear, Anger, Disgust and Sadness – conflict on how best to navigate a new city, house and school. PG, 95 minutes

Saturday, 7/29 @ 12:00 pm – 2:00 pm: **What Fish Eat: A Streamside Walk** A hands-on workshop in Stony Clove led by educator extraordinaire, Aaron Bennett. Get wet and discover what macroinvertebrates live in the stream and what their presence or absence tells us about water quality. Fun for all ages – especially youth.

AUGUST

SPECIAL PROGRAMS

Saturday, 8/12 @ 1:00 pm: **Pottery Making for Children** Come learn how to work with clay with local potter Sally Rothchild. Sally will fire your creation in her kiln to be picked up at her studio at a later time. Suitable for children ages 5 and up. Advance registration required. Please call the library at 688-7811

Monday, 8/14 – Wednesday, 8/16 @ 9:30 am – 12:30 pm: **Coding Camp** This camp will be focused on basic coding skills and problem solving; it is not about building robots. Instead, we will use pre-built robots and will learn fundamental (and some advanced!) coding concepts to get our robots to complete simple tasks. As the students' skills improve we will introduce more difficult problems (like navigating a maze) where students will learn to build more complex programs to complete the tasks. We will be using RobotC (a C based programming language) for programming the EV3. Ages 13 to 16, advance registration required. Call the library at 688-7811 to sign up – space is limited.

Friday, 8/18 @ 6:00 pm: **Movie Night: *Monster's University (2013)*** The sequel to the movie *Monsters, Inc.* takes a look at the relationship between Mike and Sulley during their days at Monsters University – when they weren't necessarily the best of friends. G, 104 minutes

Friday, 8/18 @ 4:00 pm – 7:00 pm: **Native Plant Garden Party** Join us in our new native garden (behind the children's room) to enjoy some music and snacks. There will be a map and coloring activity on native plants for both children and adults to enjoy.

Friday, 8/25 @ 6:00 pm: **Movie Night: *The Lorax (2012)*** A 12-year-old boy searches for the one thing that will enable him to win the affection of the girl of his dreams. To find it he must discover the story of the Lorax, the grumpy yet charming creature who fights to protect his world. PG, 86 minutes

Saturday, 8/26 @ 12:00 pm: **Summer Reading Program Closing Pizza Party & Raffle** We'll have a raffle drawing to select our child and adult winners, each receiving a prize valued at over \$100! Also, a special prize for the family that reads the most books. Plus, pizza!

Throughout August, **David Balinsky Tutoring Help**. Call the library to set-up a one on one appointment. 688-7811

ONGOING WEEKLY PROGRAMS

Every Monday @ 3:00 – 5:00pm: **Math Help** with Phyllis Rosato. Get those pencils sharpened! Phyllis is here to answer all of your math questions, from kindergarten to calculus.

Every Wednesday, 4:30 – 5:30pm: **Art Hour**. New art projects every week, for ages 3 to 103. Stephanie is bringing her own brand of creativity to Wednesday afternoons.

Every Tuesday, 10:30 – 11:30am: **Together Tuesdays**. Join Janice as she brings story, craft and play to Tuesday mornings.
